

Family Life Junior Bible Quizzing

2025-2026

Goals

1. Introduce 7–10-year-old children to Bible Quizzing.
2. Teach them to memorize scripture through an encouraging & fun atmosphere.
3. Disciple them by study and meditation of the Word.

Quiz Meets

Juniors are encouraged to attend the monthly quiz meet from the beginning to the end. The Juniors will have three scheduled quizzes in their own quiz site at each meet. They are then incorporated into the level quiz (last quiz of the day) with the varsity quizzers.

The Quiz Master will use their discretion in awarding correct answers.

Rewards

1. Stickers for their *first* perfect quote question, *first* correct question and their *first* error out.
2. Star sticker for a Quiz Out.
3. At the completion of each 12-minute quiz, the Scorekeeper will announce each quizzer's number of correct answers & errors. There will be five prize containers labeled 1 through 5. The quizzer chooses a piece of candy corresponding to the number of questions they answered correctly in that quiz.
4. Quizzers will receive a sticker in various increments of verses learned.

Quizzer Progression through the season

While the age of 7-10 is listed for Juniors, we will not limit it to that age. We will be flexible in accepting 11–13-year-olds if that suits the quizzer, keeping in mind the purpose of quizzing. We want the quizzer to experience some success and learn the game. Now, if the junior quizzer is extraordinary in memorizing, they will be encouraged to learn more of the selected material for that month. They will be taught the ins & outs of quizzing. They will be taught to be an encourager for all the Juniors. If after the November quiz meet, they are keeping up with their material, competing well in the level quizzes, the parents, coach and director will discuss moving that quizzer to the varsity, provided there is an opening for them on the team with which they practice. For stats & awards, they will not be considered a rookie.

Also, if after the November quiz meet, a varsity quizzer is struggling with the level of competition and the material to be memorized and are becoming discouraged, with the advisement of the coach, parents and director, they can move to join the Junior quizzers.

Local Tournaments

Junior Quizzers will have one or two mini-tournaments of their own hosted by the Panama Methodist Church.
